

IN RE:) ORDER SUSPENDING
Application of Hampton H. McMillian, Jr. for) CERTIFICATE
a Class C (Taxi) Certificate of Public)
Convenience and Necessity for Operation of a)
Motor Vehicle Carrier)

S.C. Code Ann. Section 1-23-370(c) (Revised 2005) states that if an agency finds that public health, safety, or welfare imperatively requires emergency action, and incorporates a finding to that effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action. ORS has demonstrated that the insurance for this carrier has expired. We, therefore hold that this carrier operating with no insurance constitutes an emergency which requires us to immediately suspend it's certificate granted in Docket No. 2006-26-T in order to protect the public safety. This suspension will remain in effect until a hearing is held and a final determination can be made as to whether the Certificate in question should be permanently revoked.
